

#### 4. Deeping Form Instructions

- ① Transcribe Assumed My Sentence and words/phrases you double-underlined at 3. Grasp Form, and feel newly your felt sense at first.
- ② Remove double-underlined words of Assumed My Sentence, and transcribe rest of them.
- ③ The word you underlined at ② is Keyword 1.
- ④ Write down general meaning of keyword 1. You can either define it by yourself or check a dictionary. When working with you're a partner or as groups of others, it is preferable to ask some opinions from them and write them down on this form.
- ⑤ Feel the margin of ② and write down the feeling sensation of felt sense that you want to express using keyword 1. It is totally available if it differs from general usage. You do not need to write them down so that others can understand. Focus on subtle and complex essence of felt sense, and describe your feeling freely that you really want to express here.
- ⑥ From felt sense, you can extract various numbers of things /cases. After writing down enough amount of words, you can finish this process by putting 「,,,」 to end of the word. These dots mean you cannot write down anymore. Underline wobble lines two or three words you think significant/important.
- ⑦ Choose one word you want to focus more deeply from wobble-lined terms/phrases at ⑥ , and word you chose is Keyword 2.
- ⑧⑨⑩ Likewise Keyword 1, write down general meaning and felt sense of Keyword 2. You can finish this process by putting 「,,,」 to end of the word.
- ⑪ Choose one word you want to focus most deeply from wobble-lined terms/phrases at ⑩, and word you chose is Keyword 3.
- ⑫⑬⑭ Likewise Keyword 1, write down general meaning and felt sense of Keyword 3. You can finish this process by putting 「,,,」 to end of the word.
- ⑮ Collect three keywords and words you lined wobble-line, and line these words up into blanks of 【           】.
- ⑯ Feel felt sense newly by looking words lined up. Express your felt sense in a single sentence. You can combine some words you collected in order to express. It is also preferable to make My Sentence of Assumed My Sentence directly if you can feel Assumed My Sentence newly and you feel it expresses your felt sense clearly. Fill out the blanks of 【           】. (This feeling is 【           】.) This sentence is called My Sentence. By making My Sentence, it is easier to keep uniqueness of felt sense in mind.
